

Notice of work at Finmere Bridge, A4421

February 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at

What are we doing?

We are working at Finmere Bridge on the A4421 to create our haul and access road crossing. The work will involve a series of road closures at Finmere Bridge, Newton Purcell, to carry out the following activities:

1. Vegetation clearance on the existing Finmere Bridge
2. Surveys and trial holes
3. Construction of a hard surface to support a crane
4. Demolition of the existing Finmere Bridge
5. Removal of the materials and remedial works
6. Creation of the new access and haul road crossing

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Works will start in February 2021 until summer 2021

Normal working hours:
Monday to Friday
8.00am – 6.00pm

Saturdays
8.00am – 1.00pm

Weekend closures will be in place for specific activities including the bridge demolition.

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

What to expect

Varied activities with both quiet and busier periods.

Traffic management on some local roads and some additional traffic.

Noise from equipment used for the works.

What we will do

Manage any environmental impacts, such as traffic and noise.

Take care to respect the community and respond promptly to any concerns.

When will these works take place?

Work will be taking place from June in preparation for the demolition of Finmere Bridge. There will be traffic management and lane closures required on the A4421 from June to prepare the site. Traffic management will also be needed to complete any remedial works and tidy the site after the demolition has been completed.

There will also be a series of road closures on the A4421 at Finmere Bridge to carry out specific works. These are detailed below:

Preparation weekend

Saturday 19th June – Sunday 20th June

Work will be undertaken between 6.00am and 6:00pm on both Saturday and Sunday to complete surveys and preparation activities on Finmere Bridge. The A4421 will then reopen for traffic over night to minimise disruption as much as possible.

Bridge Demolition

Friday 9th July – Monday 12th July

The A4421 will be closed at Finmere Bridge from Friday 9th July 8:00pm until 6.00am on Monday 12th July. The road will be closed to traffic to ensure the safe demolition of Finmere Bridge.

We have put in place contingency dates for the demolition in case of significant issues such as adverse weather.

New crossing installation

Friday 23rd July – Monday 26th July

The A4421 will be closed at Finmere Bridge from Friday 23rd July 8.00pm until 6.00am on Monday 26th July. The road will be closed for the installation of the new temporary bridge, which will carry our haul road and access road over the A4421. Our contingency date will be Friday 6th August to Monday 9th August. These dates will only be used if the installation cannot take place from the 23rd – 26th July as planned.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
