December 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inbucksandox.co.uk](http://www.hs2inbucksandox.co.uk).

## What are we doing?

As part of our continued preparatory works, we are working alongside BT Openreach to complete the relocation and connection of utilities along the A422.

For reasons of safety, we will need to close the A422 for approximately 2 nights. There will also be a single lane closure during the day to allow for the new road surface to set.

No utility services will be disrupted during these works.

## When will these works take place?

The A422 will be fully closed, 7.00pm to 5.00am, from Monday 10 January to Wednesday 12 January, with a diversion in place.

We will work to open the roads to reduce disruption as soon as possible.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
