# Notice of Public Right of Way closures and diversion, Turweston

August 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. We will continue to run both in-person and virtual engagement events, and follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic. You can sign up for regular updates in your local area at [www.hs2inbucksandbox.co.uk](http://www.hs2inbucksandbox.co.uk).

## What are we doing?

As our part of our work for the Turweston Green Overbridge, we will need to close and divert Oatleys Road and a number of local Public Rights of Way (PRoW). These closures and diversions are required to carry out earthworks, drainage, utilities, and road surfacing works between Turweston and Westbury.

We will be conducting these works in phases:

1. Closure of T UW/9/2 and T UW/5/2 during the construction of a local diversion for Oatleys Road from 12 September 2022.
2. Closure of Oatleys Road (T UW/4/2) to allow us to connect it into its new diversion route - this will be a few days in length, from early November. Residential access will be permitted through the work.
3. Re-opening of Oatleys Road (T UW/4/2) and T UW/9/2 with the new diversion in place.

T UW/5/2 remains closed for the duration of the project until the permanent diversion has been completed.

## When will these works take place?

Monday 12 September T UW/5/2 will close for the duration of the project until the permanent diversion has been completed.

T UW/9/2 will close for approx. 6 months for the diversion of Oatleys Road.
