

# Notice of bridleway diversion, Mixbury

March 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions about these works, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inbucksandox.co.uk](http://www.hs2inbucksandox.co.uk).

## What are we doing?

We will soon begin excavating and moving earth with large plant and machinery in preparation for the construction of the Mixbury Cutting. Cuttings are used as part of railway construction to reduce noise, reduce visual impact and to keep the track level.

The bridleway known as 303/4 crosses the route of the HS2 railway. For the safety of pedestrians and our staff, we must divert a section of the bridleway for the duration of our works. Where the temporary diversion crosses our internal road network, we will have a controlled crossing area in place that is manually operated by our team.

This temporary diversion will be in place while we construct a new permanent realignment that will be constructed over the new railway. Once further information becomes available, we will update communities.

## When will these works take place?

A section of the bridleway known as 303/4 will be diverted, 24 hours a day, from early March 2023. Signage on the bridleway will indicate the diversion.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
